

HIA and TBCITB free financial service in response to COVID-19

HIA has developed a new initiative with the support of the Tasmanian Building and Construction Industry Training Board (TBCITB) to enable Tasmanian building and construction businesses to access free professional advice from local financial planning and accountancy firm Collins SBA.

Those registering can select one or both options:

Option 1

A 30-minute phone meeting to assess your individual business' situation, and to help understand and navigate the external support you are able to access through Federal and State Government assistance packages.

Option 2

A tailored business continuity plan addressing:

- ✓ Cash flow
- ✓ Protection of assets – including personal assets like the family home
- ✓ Banks and funding
- ✓ Management team planning
- ✓ Employees
- ✓ Customers & Suppliers
- ✓ Mental Health Support

Both options are fully funded by the TBCITB
